HIDDEN MICKEYS FIELD GUIDES

Images of Mickey are camouflaged by Disney's artists and designers all around the Disney properties. Finding them adds to the fun of any Disney visit. Now three field guides make the hunt even more magical.

Author Barrett has designed scavenger hunts (with clues, hints, and points to be scored) to maximize the fun of searching for these elusive images—six hunts for Walt Disney World Resort, three for Disneyland Resort, and three for the Disney Cruise Line's ships and private island.

Each guide includes an "Index to Mickey's Hiding Places" to make it easy to hunt for hidden Mickeys wherever you find yourself in one of these properties.
